We are a prominent manufacturer and exporter of a wide range of pharmaceutical processing machinery and food processing machine. **We Have Ready Stock of "Liquor Tank 40KL"**

About Us

Established in **1984**, we, "**The Scientific Apparatus Company**" are amongst the distinguished manufacturers and exporters of a wide range of Pharmaceutical and Food Processing Machinery. These are manufactured using top quality raw material and are capable of working for consecutive hours. Our range of product is available in the market at cost effective prices and are widely used in pharmaceuticals, chemicals, dairy plants, food processing, spice & paint industries.

We have developed a sophisticated manufacturing unit located in Kolkata. This unit is well equipped with all requisite tools and latest machinery which to meet our production schedules on time. Supported by our highly efficient and skilled team of technical experts, we are capable of providing installation and after sales service to our clients.

Under the aegis of our mentor, "**Mr. Ashok Dasgupta**", we have carved a niche for ourselves in this domain. His rich experience and in-depth knowledge has helped us to garner a huge clientele all across the world. Our list of clients include Central Ceramic Research Institute (Govt. Of India), Institute of Chemical Biology (Govt. Of India), Glamour World, Burnett Homoeo Laboratory, Webcil (Govt. Of West Bengal) and Union Drug Ace Laboratories (Nepal) Ltd.
